

➤ Write about your **future job (or) a job you want** after graduation.

unit (1)

Student Book / page. 18

- 1) Job requirements and challenges
- 2) Your needs and expectations.
- 3) Advice about future career

**(INTRODUCTION)** مقدمة عن العمل

In this essay, I am going to write about my dream job, which is a doctor.

**(JOB REQUIREMENTS AND CHALLENGES)** متطلبات وتحديات العمل

First, I have to study medicine very hard for 8 years and read a lot and I have to work long hours. For example, our family doctor works 10 hours a day

**(YOUR NEEDS AND EXPECTATIONS)** توقعاتك واحتياجاتك

Second, I need to build a big hospital to help the poor and do research about COVID 19. In fact, I expect that I will achieve my goal and become a famous doctor.

**(ADVICE)** نصيحة

Finally, I advise you not to give up hope until you achieve your goal.

In this essay, I am going to write about my dream job, which is a doctor. **F**irst, I have to study medicine very hard for 8 years, read a lot and work long hours. **F**or example, our family doctor works 10 hours a day. **S**econd, I need to build a big hospital to help the poor and do research about COVID 19. **I**n fact, I expect that I will achieve my goal and become a famous doctor. **F**inally, I advise you not to give up hope until you make dreams a reality.

➤ Write about a **personal experience (or) significant event** in which you have made an important decision that changed your life.

➤ Activity Book / page. 12

- 1) Name the experience.
- 2) Describe what happened before and during the experience.
- 3) What you learnt.
- 4) Your feelings.

**(NAME THE EXPERIENCE)** حدد المشكلة

Have you ever had a day you wished never happened? For me it was a day in 10<sup>th</sup> grade when I had a math test.

**(DESCRIBE WHAT HAPPENED BEFORE AND DURING THE EVENT)** ماذا حصل قبل وخلال المشكلة

In fact, my teacher had told me to prepare well but I didn't study at all for it. When the test day came, I thought I would do well. However, the test was very hard so I didn't understand anything.

**(YOUR FEELINGS)** شعورك

Later, when my score was 5%, I was very angry.

**(WHAT YOUR LEARNT)** ماذا تعلمت

I have never thought that bad. So from that day on, I decided to study harder.

**H**ave you ever had a day you will never forget? **F**or me it was a day in 10<sup>th</sup> grade when I had a math test. **I**n fact, my teacher had told me to prepare well but I didn't study at all for it. **W**hen the test day came, I thought I would do well. **H**owever, the test was very hard so I didn't understand anything. **L**ater, when my score was 5%, I was very angry. **I** have never thought that bad. **S**o from that day on, I decided to study harder.

➤ Write about the **healthcare** in Syria nowadays.

**Unit (3)**

➤ Student Book / page. 38

- 1) Importance of healthcare in our lives.
- 2) Ways to Improve healthcare to avoid getting sick.
- 3) Should healthcare be free? Why/ why not?
- 4) Opinion about healthcare in the future.

**(IMPORTANCE OF HEALTHCARE)** أهمية النظام الصحي

Healthcare plays an essential part because it helps stop diseases and improve quality of life.

**(HOW TO IMPROVE HEALTHCARE)** كيفية تحسين العناية بالصحة

In fact, the government should improve healthcare by building well-equipped hospitals and providing doctors with the skills needed such as training courses. Also, people should keep clean to stop spreading diseases such as COVID 19.

**(SHOULD IT BE FREE OR NOT)** هل يجب أن تكون مجانية

On the other hand, the government should provide free healthcare for the poor so that we can eliminate pain and illnesses among them

**(OPINION ABOUT HEALTHCARE)** رأيك

In my opinion, healthcare in Syria will be better in the future if we work together to develop it.

**H**ealthcare plays a vital part because it helps improve quality of life. **I**n fact, the government should improve healthcare by building well-equipped hospitals and providing doctors with the skills needed such as training courses. **A**lso, people should keep clean to stop diseases such as COVID 19. **O**n the other hand, the government should provide free healthcare for the poor so that we can eliminate pain and illnesses among them. **I**n my opinion, healthcare in **S**yria will be better in the future if we work together to develop it.

➤ Write about **someone who influenced you** (or) **has an impact on you.** **unit (2)**

➤ Activity Book / page. 20

- 1) Who is the person?
- 2) What traits do you admire about him/her?
- 3) What have you learnt from?
- 4) How has your life changed?

**(WHO IS THE PERSON)** من الشخص الذي أثر بك

If anyone has ever left an impact on me, Thomas Edison comes on top.

**(WHAT TRAITS I ADMIRE)** ماهي الخصال التي تعجبك

Thomas Edison had the best traits that I love; he never gave up and always kept trying. His determination changed his failure into success.

**(WHAT HAVE YOU LEARNT)** ماذا تعلمت

In fact, I learnt many things from him. For example, even if I fail once, I will keep trying until I achieve my goal. Also, failure will be a stepping-stone for me to reach success.

**(HOW HAS HE CHANGED YOUR LIFE?)** كيف غير حياتك

In my opinion, my life changed because of him and I will do my best to make dreams a reality.

If anyone has ever left an impact on me, **T**homas **E**dison comes on top. **I** love him because he never gave up and always kept trying. **H**is determination changed his failure into success. **I**n fact, I learnt many things from him. **F**or example, even if I fail once, I will keep trying until I achieve my goal. **A**lso, failure will be a stepping-stone for me to reach success. **I**n my opinion, my life changed because of him and I will do my best to make dreams a reality.

➤ Write about a **medical invention** (or) a **medical device**.

unit (3)

➤ Activity Book / page. 30

- 1) What is the device?
- 2) Who invented it and when?

- 3) The advantages of the device.
- 4) Is it available in hospitals in Syria?
- 5) Your opinion about it.

**(WHAT IS THE DEVICE)** ماهو الجهاز

X-ray is one of the best medical devices that we use nowadays.

**(WHO INVENTED AND WHEN)** من اخترعه ومتى

This device was invented by a famous doctor named Alan in 1950.

**(THE ADVANTAGES/ IS IT AVAILABLE?)** ميزاتة وهل هو متاح

X-ray is a practical device because it helps doctors see the inside organ of the body without making an incision. Also, it can tell the doctor if a surgery is needed or not. In fact, it is available in all hospitals in Syria and it isn't too expensive for people.

**(OPINION)** رأيك

In my opinion, X-ray is a successful device that has improved quality of life.

➤ Write a description about a recent **engineering project** in Syria. **Unit (4)**

➤ Activity Book / page. 38

- 1) Name the project.
- 2) Place and time of performance.
- 3) Advantages and disadvantages.
- 4) Your opinion.

**(NAME THE PROJECT)** اسم المشروع

Recently, the Syrian government has decided to build a practical solar panel system.

**(PLACE AND TIME OF THE PROJECT)** مكان وتاريخ التنفيذ

The project starts on February 25<sup>th</sup> 2022 in the Syrian desert 100 kilometers to the east of Damascus.

**(ADVANTAGES AND DISADVANTAGES OF THE PROJECT)** مساوئ ومحاسن المشروع

The project is very good because it will provide electricity for the Syrians for free. Also, we will not depend on fuels to generate electricity so that it is economical. In fact, I will provide jobs for many people. However, it will cost the government a lot and won't work perfectly on cloudy days.

**(OPINION ABOUT THE PROJECT)** رأيك

In my opinion, we are really need engineering projects like this to be healthy and wealthy.

Recently, the Syrian government has decided to build a practical solar power system. The project is very good because it will provide electricity for the Syrians for free. Also, we will not depend on fuels to generate electricity so that it is economical. In fact, it will provide jobs for many young people. However, it will cost the government a lot and won't work perfectly on cloudy days. In my opinion, we really need engineering projects like the solar power system to be healthy and wealthy.

➤ Write pieces of advice for people who are going to **start a new job**.

➤ Activity Book / page. 41

- 1) Rules to start a job.
- 2) Relationship with workmates.
- 3) How to improve one's skills
- 4) Advice about success

**(RULES TO START A NEW JOB)** قواعد للبدأ

There are many rules when you start a new job. First, listen and learn from friends. You can ask your friends questions if you don't know.

**(RELATIONSHIP WITH WORKMATES)** العلاقة مع الزملاء

Second, the best way to be a good workmate is to offer help to others. In my opinion, people hate mates who make up excuses for not doing something.

**(HOW TO IMPROVE SKILLS)** كيفية تحسين المهارات

Third, expand your skills by reading and searching the internet to keep up with the latest information.

**(ADVICE ABOUT SUCCESS)** نصيحة للنجاح

Finally, if you have a job starting soon, remember these rules to be successful.
