Two years ago, we had a very special party. My great-grandma was 90 years old! All my family came together to celebrate. All my cousins, aunts, and uncles came. We had a huge picnic in my aunt's garden. There was lots of food. I played games with my cousins all afternoon. We ran. We threw a ball. We sang "Happy Birthday" to our great-grandma.

It was a very special day because our great-grandma was very happy. She liked seeing the whole family. We all had fun.

Pros and cons of social media

* *On the other hand*

* *In my opinion*

Many people like social media. They can contact friends and family. They can also play games and have fun. But, on the other hand, some people don't like social media. They can't trust information. Strangers can see your personal information. In my opinion we can enjoy social media, but we need to be careful. We shouldn't spend too much time on social media.
