## TEST 1

## A- Language Functions

1- Finish the following dialogue:**Eman is asking Sara if she has finished her jobs.****Eman:** Have you finished the report yet?**Sara :** (1)..... . I'm still working on it.**Eman:** What about your presentation? (2).....?**Sara :** Yes, I've prepared for the presentation.**Eman:** Have you shown it to the manager?**Sara :** (3)..... .**Eman:** (4).....?**Sara :** He said it's great.**Eman:** I'm glad that you are well-prepared for the presentation.**Sara :** (5)..... .

## B- Reading Comprehension

2- Read and complete the text with words from the following list:**caracal - found - finding - habitats - coast - cost**

There are many different (1).....around the world. Coastal habitats are along the (2).....of the sea. Grasslands are usually (3).....in the center of large areas between mountains and deserts. They are the natural habitats of animals such as the (4).....

3- Read the following, then answer the questions:

Deforestation is the act of cutting down trees. Deforestation can happen in some lands. These lands may be needed for building houses or setting up factories. Even building roads needs cutting down trees. Deforestation is affecting wildlife as well. Many animals have lost their habitats or their places of living. Trees produce oxygen and take in carbon dioxide. It can lead to several problems if deforestation is not stopped. It can lead to global warming. Floods can become uncontrollable as trees can protect us from them. Protecting trees should be the top interest of governments. We should grow more trees in the forest. This would help to resolve the loss of the trees cut down. Moreover, the use of plant-based products should increase.

**A) Choose the correct answer from a, b, c or d:**

- This passage is talking about .....  
a) global warming    b) climate change    c) natural disasters    d) deforestation
- Trees can protect the environment from .....  
a) floods    b) rain    c) droughts    d) wildlife
- Governments should be ..... protecting trees.  
a) afraid of    b) worried about    c) angry about    d) interested in

**B) Answer the following questions:**

- What does deforestation mean?  
.....
- Why do you think people cut down trees?  
.....
- From your point of view, how can we solve the problem of deforestation?  
.....

**C- Vocabulary and Structure**

**4- Choose the correct answer from a, b, c or d:**

- To .....means to say you will do something.  
a) produce    b) promise    c) control    d) destroy
- The verb "save" is similar in meaning to .....  
a) rescue    b) hurt    c) harm    d) endanger
- I totally agree with your opinion. The synonym of the verb "agree" is .....  
a) avoid    b) disagree    c) refuse    d) accept
- To ..... is to move around a star or planet.  
a) enter    b) die    c) orbit    d) share
- To get an adjective from "recharge", add the suffix ".....".  
a) -able    b) -ful    c) -ive    d) -ing
- My car was completely damaged in the accident. "Completely" is the same meaning as .....  
a) weakly    b) partially    c) slightly    d) absolutely

Name: .....

a) mountain                      b) oasis                      c) grassland                      d) rainforest
- The government started ..... to help the poor. They started to solve their problems.  
a) initiatives                      b) roads                      c) turbines                      d) diagrams
- To get the noun for a person from the verb “read”, add the suffix “.....”.  
a) -ment                      b) -or                      c) -er                      d) -ing

Name: .....

Group: ..... 

## TEST 4

## A- Language Functions

1- Finish the following dialogue:**Mazin is reading an article about sustainable living.****Sief :** Hi, Mazin. What are you doing?**Mazin :** (1).....**Sief:** (2).....?**Mazin :** Yes, we could use sustainable products.**Sief:** What kinds of sustainable products can we use?**Mazin :** (3).....**Sief:** (4).....?**Mazin :** Yes, plastic bags and toothbrushes are bad for the environment.**Sief:** Thanks for this useful information.**Mazin :** (5).....

## B- Reading Comprehension

**telescope – improved – astronomers – lenses – improve – orbit**2- Read and complete the text with words from the following list:

Before the beginning of the 17th century, (1)..... had only studied space with their own eyes. Then, in 1608, the (2)..... was invented. The Italian astronomer Galileo (3)..... the design. He made the (4)..... stronger so that he could study the planets in our solar system.

3- Read the following, then answer the questions:

Last week, I read an article about natural wonders around the world. It mentioned some of the most amazing places on earth. The writer mentioned that there are two kinds of wonders; natural and man-made wonders. I knew that Ancient Greeks made a list of places they thought people should see. This list was named the Seven Wonders of the Ancient World. The Greeks chose seven wonders because **they** thought this number means perfection. The Lighthouse of Alexandria is one of these wonders. It was once the tallest building in the world. There was a very large mirror inside this lighthouse. It was used to reflect sunlight to warn ships that were getting close to the shore. At night, a fire was lit inside the lighthouse to guide the sailors in the sea. The design and building of the lighthouse started in 290 B.C. After that, an earthquake damaged it. However, it remained longer than any of the wonders except for the Great Pyramid.

**A) Choose the correct answer from a, b, c or d:**

- The passage is talking about ..... .  
a) the Ancient Greeks  
b) the Great Pyramid  
c) the Modern Wonders of the World  
d) the Lighthouse of Alexandria
- ..... is the only ancient wonder that still standing today.  
a) The Lighthouse of Alexandria  
b) The Great Pyramid  
c) The Ancient Greeks  
d) Wonders of the world
- The large ..... inside this lighthouse was used to reflect sunlight to warn ships.  
a) mirror  
b) design  
c) wonder  
d) pyramid

**B) Answer the following questions:**

- What does the underlined pronoun "they" refer to?  
.....
- Why was the Lighthouse of Alexandria so famous?  
.....
- Do you think that the Lighthouse of Alexandria was useful? Why/ Why not?  
.....

**C- Vocabulary and Structure**

**4- Choose the correct answer from a, b, c or d:**

- A ..... is a route where trains travel on steel rails.  
a) map  
b) railway  
c) sailor  
d) helmet
- Their aim is to increase sales. The synonym of "increase" is ".....".  
a) misuse  
b) preserve  
c) reduce  
d) raise
- Seagrass absorbs carbon dioxide. The synonym of "absorbs" is .....  
a) takes in  
b) releases  
c) damages  
d) rescues
- The adjective "national" is turned into the opposite by adding the prefix.....  
a) di-  
b) dis-  
c) inter-  
d) re-
- I went to the ..... where there are lots of pictures, drawings, etc.  
a) exhibition  
b) railway  
c) journey  
d) transport
- "....." means a group of animals or plants of the same kind.  
a) Herbs  
b) Species  
c) Seagrass  
d) Grassland

Name: .....

Group: .....

**D- Writing****6- Write ONE HUNDRED and TEN (110) words on the following:****“A review of social media”**

Social media has become an essential part of our daily lives. It allows us to communicate with friends and family, share our thoughts and ideas and stay informed about the latest news and events. There are many different social media platforms, such as Facebook, Instagram and Twitter. Each platform has its special advantages. While social media can be fun and useful, it also has its disadvantages. For example, spending too much time on social media can lead to addiction and affect our mental health. It is essential not to let social media control our lives. We can limit our time on these platforms and do other offline activities to be healthy.

## TEST 2

## A- Language Functions

1- Finish the following dialogue:

**Heba is going to give a speech at school tomorrow about renewable energy.**

Ola : You look worried. What's the matter?

Heba : (1)..... I am going to give a speech at school tomorrow..... .

Ola : What are you going to talk about?

Heba : (2)..... I'm going to talk about renewable energy..... .

Ola : (3)..... . How would you like to start?.....?

Heba : I'd like to start by saying that renewable energy is very friendly to the environment.

Ola : (4)..... Can you give some examples of renewable energy sources?.....?

Heba : Sure. Solar energy and wind energy are examples of renewable energy.

Ola : That's great. You will do well.

Heba : (5)..... Thank you so much.....

## B- Reading Comprehension

2- Read and complete the text with words from the following list:

**side - sites - recycling - burn - burning - renewable**

If we keep (1)..... **burning**.....fossil fuels, climate change will get worse. So, we need to use cleaner (2)..... **renewable**.....energy such as solar energy and wind power. We must start (3)..... **recycling**.....more rubbish and stop putting rubbish in landfill (4).. **sites**..... If we recycle more paper, we can avoid cutting down our forests.

3- Read the following, then answer the questions:

The Egyptian squash player Nour El Sherbini became the first woman to win the Tournament of Champions three times—and she's not yet 30. In 2009, she became the youngest world champion in the history of the sport when she won the women's title at the World Junior Squash Championships at just nine years old. In 2015, she became the youngest woman to win the Women's World Championship, which was held in Malaysia, and then a year later retained her title by beating her most recent opponent, El Welily, at the Women's World Championship held in El Gouna, Egypt. Nour El Sherbini was born on 1st November, 1995 in Alexandria. She started playing squash when she was 6 years old. She is a five time World champion. She is known as the world's best squash player.

4. The adjective “heroic” comes from its noun by adding the .....“ic”.
- a) antonym                      b) synonym                      c) prefix                      d) suffix
5. They’re still many ..... schools follow old ways of teaching.
- a) recent                      b) new                      c) modern                      d) traditional
6. To form the opposite of “appear”, we add the prefix “.....”.
- a) dis-                      b) in-                      c) ir-                      d) un-

**5 Complete the sentences with the correct form of the word(s) in brackets:**

1. The Egyptian Museum.....**was visited**..... (visited) by many tourists last week.

5. She .....**has been eating**..... (eat) chocolate all morning, so she feels sick.

**D- Writing****6 -Write ONE HUNDRED and TEN (110) words on the following:****“A short story you read”**

I read a short story called “The Clever Fox.” The story takes place in a forest where a clever fox lives. One day, the fox finds itself trapped in a hunter’s net. The fox starts thinking of a way to escape. The clever fox decides to pretend to be dead, and when the hunter comes, he sees the fox lying still in the net. Believing that the fox is dead, the hunter decides to take it home for dinner. As the hunter carries the fox, it suddenly jumps out of his hands and runs back into the forest. The story teaches us the importance of thinking quickly in difficult situations.

The Italian astronomer Galileo (3)..... **improved**..... the design. He made the (4).... **lenses**..... stronger so that he could study the planets in our solar system.

3- Read the following, then answer the questions:

Last week, I read an article about natural wonders around the world. It mentioned some of the most amazing places on earth. The writer mentioned that there are two kinds of wonders; natural and man-made wonders. I knew that Ancient Greeks made a list of places they thought people should see. This list was named the Seven Wonders of the Ancient World. The Greeks chose seven wonders because **they** thought this number means perfection. The Lighthouse of Alexandria is one of these wonders. It was once the tallest building in the world. There was a very large mirror inside this lighthouse. It was used to reflect sunlight to warn ships that were getting close to the shore. At night, a fire was lit inside the lighthouse to guide the sailors in the sea. The design and building of the lighthouse started in 290 B.C. After that, an earthquake damaged it. However, it remained longer than any of the wonders except for the Great Pyramid.

**A) Choose the correct answer from a, b, c or d:**

- The passage is talking about ..... .  
 a) the Ancient Greeks  
 b) the Great Pyramid
