### Match the title to the text:

In some hot, wet places, people build houses on stilts. These houses are built high above the water or land. The air blows under the houses and keeps them cool.

**Beehive houses**

These houses are made of mud, water and dry grass. People build these houses in some hot, dry places. The mud walls and very small windows keep the homes cool.

**Skyscrapers**

In cities all over the world, people live in tall buildings made of metal, concrete and glass.

**Stilt houses**

Burj Khalifa has more than 160 floors and 57 lifts.

## Reading Comprehension Maze:

Hello, my name is Ali, I went to the park last week with my friend Yahya. First, we played on the 1-(flower/slide/table). Then, we went on the 2-(spinner/sugar/salty) and it was so much fun. Finally, we climbed up the 3-(tunnel/ladder/seesaw). When we felt tired, we went home.

## Fill in the missing letters:

be \_r\_ om

kit \_ \_ en
