3 I programmed Bill to fix my car.

4 Do you have a blender at home?

**3 Write a paragraph of (60) words using the following elements:**

**Caring for my pet**

Pets are very cute animals. They need lots of things to be happy. I give my pet lots of attention so it feels safe. I play and enjoy with it. Pets like warm, comfortable beds. I go to the vet from time to time for vaccinations. These stop them for getting sick. If you look after your pet well, you'll have a new friend in your life.
