TICTACTOE Instructions to teacher:

Winners make a line or get the most questions correct.

Split the class into 2 groups, left side and right side. Left side are horses, right side camels.

A student from one side must choose a number of a picture and give the correct vocabulary.

To be able to mark the cell with the camel, click on the picture and the camel will appear.

To be able to mark the cell with the horse, click on the picture, then the camel, so the horse will show.
