Reading

Read the texts and answer the questions. For each question choose A,B or write your answer on the line.

Hello. I'm Alexa and I live in Tromso in the north of Norway. In the summer months, there is no sunrise and no sunset here. The people of Norway can see the sun all day and all night too. That's why it's called the land of the Midnight sun. In the evening, it can be difficult to fall asleep because it is still light outside. Last Night was really cool! We stayed up late and played basketball at 11.00pm! On Saturday, my dad and granddad are doing a midnight hike.

1- Tromso is in the _____ of Norway.

A- North

B- South

C- East

2- In the _____ months, there is no sunrise and no sunset in Tromso.

A- winter

B- spring

C- summer

3- The people of _____ can see the sun all day and all night too.

4- Norway is called the land of the Midnight _____.

5- In the _____, it can be difficult to fall asleep.

6- Last _____ was really cool

7- They stayed up late and played _____ at 11.00pm.

8- On _____, the dad and granddad are doing a midnight hike.

Read the texts and answer the questions. For each question choose A,B or

write your answer on the line.

Adeeb al Baloushi is a twelve-year-old inventor from Dubai. He started inventing when he was nine. First, he helped his father with a new kind of artificial leg. Then he decided to help his mother. It was hard for her to reach under the sofa to clean. Adeeb built a robot to do the job. It took him just one day. The robot is very small so it can go to places that are hard for a person to reach. It has a brush, a motor and batteries. When Adeeb's mother went into the living room, she was surprised that Adeeb was sitting on the sofa. She looked under the sofa and it was clean.

Adeeb showed her the robot. Now no one had to clean the floor, because the robot could do it for them. Adeeb is a member of the Arab Robotics Association. Adeeb is still inventing. He hopes he will make many other new things that will help people.

1- How old is Adeeb?

A.12

B. 20

C. 22

2- Where is Adeeb from?

A. Dubai

B. Sharjah

C. Ajman

3- How long does it take from Adeeb to invent the robot?

A. one day

B. one month

C. one year

3- How was the robot?

A. Big

B. huge

C. small

4- The robot has a brush, a motor and _____

5- When Adeeb's mother went into the living room, she was _____

6- Adeeb is a member of the Arab _____ Association.

7- He hopes he will make many other new things that will help _____

Read the texts and answer the questions. For each question choose A,B or write your answer on the line.

My family is sports mad! I love playing football and I sometimes go with my father and brother to watch football matches. My favourite team is Al Ain F.C.

Both my sisters go horse-riding every weekend and my mum plays tennis with her sister on Tuesdays and Thursdays. I also do judo and have a yellow belt at the moment, but some day I want to have a black belt. My grandfather doesn't play sport any more, but he used to go running and swimming a lot. Now, he goes for long walks with my grandmother to stay healthy.

1- What does he like to play?

A. Football

B. tennis

C. basketball

2-What is his favorite team?

A. Al Ain

B. Al Ahly

C. Al Helal

3-Who go for horse- riding ?

A. His sisters

B. His brothers

C. His father

4-How often does his mum play tennis?

A. once a week
