### 2 Read the following, then answer the questions:

Learning is an ongoing process that helps us grow. Whether it's learning a new language or improving spelling, the experience can be both **tricky** and exciting. In school, students often learn new things that will be useful later in life. For example, learning grammar rules or how to write a well-organized sentence is a key skill. Teachers suggest activities that help us improve and provide tips for better understanding. Classmates also play an important role in learning. They can share ideas and help each other to succeed. Hard work and effort are important for learning well, but the results are always worth it.

#### A) Choose the correct answer from a, b, c, or d:

- Teachers suggest activities to help students ..... .
  - play games
  - improve and understand better
  - sleep better
  - study harder
- The word "**tricky**" in the passage means ..... .
  - easy
  - complicated
  - fun
  - simple

#### B) Answer the following questions:

- What is the main idea of the passage?.....
- How do classmates help each other in the learning process? .....
- What does the underlined pronoun "They" refer to? .....
- In your opinion, what is the most important thing for success in learning?.....

**Model (4)**
