Final Revision

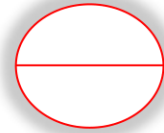

For Preparatory Year 3

امتحانات الازهر الشريف

للف الثالث الإعدادي

الفصل الدراسي الثاني

(A) Language Functions

1 Supply the missing parts in the following dialogue:

(3 m / 1 m each)

- Omar : Do you know that there are many different habitats around the world?
- Ali : ①
- Omar : ②
- Ali : Coastal habitats are found along the coast of the sea.
- Omar : ③
- Ali : Sea turtles lay eggs on the beach.

(B) Reading comprehension

2 Read and complete the text with words from the following list:

(2 m / ½ m each)

weather - hotter - site - change - droughts

Our planet is getting ① and our ② is changing. There are more floods, ③ and forest fires than at any time in history. One of the reasons for this is climate ④

3 Read the following, then answer the questions:

(5 m / 1 m each)

The International Space Station is a huge spacecraft where astronauts live and work when they go into space. Most astronauts stay on the Space Station for about six months. Lots of countries worked together to make the Space Station. The first piece of the Space Station went into space in 1998. Since the first astronauts arrived in 2000, more than 200 astronauts from 19 countries have stayed there. Life on the Space Station is different from life on Earth in many ways. In space, washing, sleeping and eating can be difficult! But communication is not a problem. Astronauts can send emails or make phone calls to their families.

A. Answer the following questions:

1. What is the International Space Station?

.....

2. How long do most astronauts stay on the Space Station?

.....

3. How can astronauts communicate with their families?

B. Choose the correct word from a, b, c or d:

4. More than astronauts have stayed on the Space Station.
 a) 20 b) 200 c) 2,000 d) 20,000
5. Life on the Space Station is from life on Earth.
 a) same b) similar c) different d) like

(C) Vocabulary and structures

4 Choose the correct word from a, b, c or d: (4 m / 1 m each)

1. A is to say you will do something.
 a) **promise** b) **produce** c) **protect** d) **preview**

 a) **starts** b) **graduates** c) **presents** d) **stops**
4. Nawal hopes that she will be able to as an engineer.
 a) **work** b) **works** c) **working** d) **worked**

5 Complete the sentences with the correct form of the word(s) in brackets: (3 m / 1 m each)

1. This school (**build**) five years ago.
 2. If it (**rain**) heavily, we will use umbrellas.
 3. Our grandparents used to (**living**) in a small village.

(D) Writing

6 Write a paragraph of SIX sentences on: (3 marks)

"A famous person"

.....

.....

.....

.....

.....

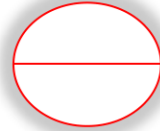

.....

.....

.....

.....

(A) Language Functions

1 Supply the missing parts in the following dialogue:

(3 m / 1 m each)

- Hala : I'm free in the afternoon. Why don't we go for a walk?
 Nada : ❶
- Hala : When can we go then?
 Nada : ❷ It's a holiday.
 Hala : ❸ We can meet at nine o'clock.
 Nada : See you then.

(B) Reading comprehension

2 Read and complete the text with words from the following list:

(2 m / ½ m each)

will - renewable - fuel - won't - cut

We should do our best to keep the environment clean. We mustn't
 ❶ down trees because they absorb carbon dioxide. Also we mustn't
 burn fossil ❷ to avoid climate change. That's why we should use ❸
 energy. So, we ❹ be able to live in a safe environment.

3 Read the following, then answer the questions:

(5 m / 1 m each)

If someone asked you to name a famous trip to the moon, you would say the Apollo 11 trip in 1969. But did you know that Apollo 17 went there? In 1972 there had been five trips to the moon. There have no trips since 1972. We all know that Neil Armstrong was the first person to walk on the moon but who was the last person? That was Eugene Cernon. He was on a 12-day trip on Apollo 17 which brought the largest moon rock on Earth and said "We shall return with peace and hope". From that time, trips to the moon were stopped because they were too expensive but today as technology gets better, there are plans to send spacecraft to the moon again.

A. Answer the following questions:

1. What's the text mainly about?

.....

2. What did Eugene Cernon bring to the earth?

.....

3. Why were trips to the moon stopped?

.....

B. Choose the correct word from a, b, c or d:

4. What does the underlined word name mean?
a) explain **b) speak** **c) travel** **d) mention**
5. When was the last trip to the moon?
a) 1960 **b) 1969** **c) 1972** **d) 1970**

(C) Vocabulary and structures

4 Choose the correct word from a, b, c or d: (4 m / 1 m each)

1. We should protect our planet. "**Protect**" is similar in meaning to
a) increase **b) damage** **c) collect** **d) keep safe**

(A) Language Functions

1 Supply the missing parts in the following dialogue:

(3 m / 1 m each)

Ahmed : Hello, Omar. What are you doing?

Omar : 1

Ahmed : 2 ?

Omar : Deforestation means that there are fewer trees in rainforests.

Ahmed : Is it dangerous for the environment?

Omar : 3 It damages the natural habitat of many animals.

Ahmed : How terrible! Scientists should solve the problem.

(B) Reading comprehension

2 Read and complete the text with words from the following list:

(2 m / ½ m each)

arrive - locate - storms - have used - climate

Satellite technology is very important. Since the late 20th century, we 1 satellite technology for many things we do every day. Now, we have GPS that helps us 2 our destination. Weather Satellites are useful because they show us clouds and 3 which are moving. These satellite enable us to know about possible 4 change.

3 Read the following, then answer the questions:

(4 m / 1 m each)

There are some beautiful natural wonders in Egypt, such as the White Desert, The National Park and Al-Naizak Lake. There are also some wonderful man-made wonders, such as the Great Pyramid and the citadel of Qaitbay in Alexandria.

Egypt also has some wonders that aren't visited by many tourists like Gabel Elba. This is because it is difficult to reach. Another wonder that is difficult to reach is the Lost City because it is now under the Mediterranean in Alexandria. When the lost city was discovered, Frank Goddio saw lots of very old statues, temples and monuments there.

Another wonder is the Great Sand Sea in the south of Egypt. This is a part of the Western Deserst where you can find lots of big sand dunes. Some unusual glass is also found in the great Sand Sea. Egypt's natural and man-made wonders are among the most beautiful wonders in the world.

A. Answer the following questions:

1. Give examples of the natural wonders in Egypt.

.....

2. What did Frank Goddio see in the lost city?

.....

B. Choose the correct word from a, b, c or d:

3. The main idea of the text is the Egyptian

- a) sea b) monuments c) wonders d) people

4. The great Pyramid is a wonder.

- a) man-made b) modern c) natural d) new

(C) Vocabulary and structures

4 Choose the correct word from a, b, c or d:

(4 m / 1 m each)

1. A is the land that is below the area around it.

- a) forest b) depression c) mountain d) tower

2. We can use some materials again. This means we can them.

- a) damage b) destroy c) recycle d) waste

3. If I had to buy a car, I buy Mercedes.

- a) would b) would have c) should d) ought to

4. There are eight planets in our

- a) solar system b) solar energy c) stars d) continent

5 Complete the sentences with the correct form of the word(s) in brackets:

(3 m / 1 m each)

1. These areas (know) as polar habitats.

2. Baby fish and sea animals live in sea grass (so) it is a safe place.

3. How many people (walked) on the moon by the end of the 20th century?

(D) Writing

6 Write a paragraph of SIX sentences on:

(3 marks)

"Media now and in the past"

.....

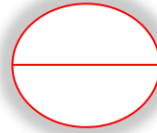

.....

.....

(A) Language Functions

① Supply the missing parts in the following dialogue: (3 m / 1 m each)

Adel and-Fawzy are talking about a new food festival.

Adel : Fawzy, did you know that they are having a new food festival in our village?

Fawzy : Really, ① ?

Adel : According to the newspaper, it is going to be next week.

Fawzy : That's good news, what type of restaurant will it be?

Adel : ②

Fawzy : Wow, modern Egyptian restaurant!
I think it is going to be expensive. ③

Adel : No, I don't think so. The meal is just 50 pounds.

(B) Reading comprehension

② Read and complete the text with words from the following list: (2 m / ½ m each)

species - coastal - fossils - grassland - preserved

Much of the south of England is a ①habitat next to the sea. Today, sheep and cows enjoy the green ② where they can eat. However, 250 million years ago, part of this coast was very different. It was then a hot, wetland habitat where animals like crocodiles lived in the wetland. We knew this because hundreds of ③ are often found here. Many of them are very well preserved, so scientists can study many ④ of animals from long ago.

③ Read the following, then answer the questions: (5 m / 1 m each)

Scientists had done a lot of research before the first person walked on the moon in 1969 and one of the most important scientists was Farouk El-Baz. He helped to plan where Apollo 11 should land on the moon. Farouk also taught astronauts which rocks to take from the moon on later visits. After studying the moon, Farouk started studying deserts on the earth. He used satellites to find rivers that were under the sand and this work has helped Egypt and other countries to find new water.

A. Answer the following questions:

1. What had scientists done before people went to the moon?

2. How did Farouk El-Baz find rivers under the desert sand?

3. What did Farouk El-Baz teach astronauts?

B. Choose the correct word from a, b, c or d:

4. The first person walked on the moon in

- a) 1980s b) 1960s c) 1970s d) 1990s

5. Apollo 11 landed on the

- a) earth b) sun c) desert d) moon

(C) Vocabulary and structures

4 Choose the correct word from a, b, c or d: (4 m / 1 m each)

1. is a force that attracts things or people to the centre of the Earth.

- a. **Satellite** b. **Telescope** c. **Space station** d. **Gravity**

2. Wind and waves are two fantastic forms of

- a. **solar energy** b. **renewable energy**
 c. **fossil fuels** d. **greenhouse gas**

(D) Writing

6 Write a paragraph of SIX sentences on:

(3 marks)

"How to keep the environment clean"

.....

.....

.....

.....

.....

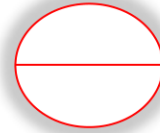

.....

.....

.....

.....

.....

(A) Language Functions

① Supply the missing parts in the following dialogue:

(3 m / 1 m each)

- Mahmoud : Where did you go last weekend?
 Youssef : ①
 Mahmoud : What did you do in the planetarium?
 Youssef : ②
 Mahmoud : ③ ?
 Youssef : I went there with my family.

(B) Reading comprehension

② Read and complete the text with words from the following list:

(2 m / ½ m each)

storms - seawater - crops - sea levels - floods

Climate change means that many countries have more ① now because of rising ② Most trees and plants can't live in ③ When seawater comes onto farms, the salt in the water kills the ④

③ Read the following, then answer the questions:

(5 m / 1 m each)

A robot is a special kind of machine. It is a machine that moves. It follows instructions which come from a computer. Because it is a machine, it doesn't make mistakes, and it doesn't get tired. It never complains. Robots are all around us. Some of them are used to make things. For example, robots can make cars. Others are used to explore dangerous places like volcanoes. Some robots are used to clean things. Some robots can even recognize words. They can help answer telephone calls. Some robots look like humans, others do not. Most robots look like machines. The first real robot was made in 1961. It was used to help make cars. It looked like a **giant** arm. In the future, robots will do things that we can't do, or they will do things that we don't want to do. Robots will help us fight fires. They will help make life better.

A. Answer the following questions:

1. Do robots make mistakes? Why/Why not?

.....

2. What will robots do in the future?

.....

3. Mention two of the things that robots can do.

.....
