## بيننا على الامثلة يا شباب ... ركز في رأس السؤال

1. Write an introductory paragraph of about six lines on:

### **The Benefits of Outdoor Activities**

Do you know the benefits of outdoor activities? The outdoor activities have the magic effect on man's health. We can name these activities the source of good health to people. For example, if we practise walking 10 minutes every day, we will be very well. The best of the best is doing simple sports like running and playing some games with our friends. Outdoor activities must be a basic habit in our life.

2. Write a concluding paragraph of SIX lines for the following:

### **Dumping hazardous wastes must be given due care to protect our environment and save the climate from getting worse.**

To end this topic, We should love the place we live in. We shouldn't use more petrol or gases. We should use the public transport. If we have a private car, we should use it for 4 days a week. All of us must co-operate and stand as a one man to protect the environment clean and put an end to this serious problem which threatens our life. We can say that keeping the environment is keeping our life.

3. Write a developing paragraph of about SIX(6) lines on the following topic:

### **"The steps you should follow to succeed in your future: explain and give examples."**

To succeed in my life, I should follow these steps in my future: At university, I should listen carefully to my lecturers. To succeed, I should always look for information through going to the university library. I should do my sheets at home. I should do my best to be better. I should help my friends. I respect my father and mother and obey them. I should work besides my studies to help my family.

4. Write an introductory paragraph of SIX lines on:

### **"Scientific research".**

Imagine there is no scientific research in the world! I think life without scientific research would be impossible. New inventions and new discoveries will never appear. Science will solve the problems of the problem of food shortage, the problem of water shortage, the problem of pollution and the problem of noise. A cure for dangerous diseases will not be discovered. New sources of energy will not be found.

5. You started your essay **on comparing old ways of life to new ones**. Write a concluding paragraph of SIX lines expressing your opinion with justification.

To sum up, I can say that today's life is full of modern inventions which make our life is very easy and comfortable. For example, traveling in the past was very big problem because there were no cars, trains, planes or ships but now all these things are a valuable to all people. In the past, we were not able to know what happens around us but now we knew the event in no time.

6. Write an introductory paragraph of about six lines on the following topic:

**The Benefits of Reading**

Frist, I want to ensure that reading is fun. Reading is the food the mind. With reading we never feel lonely. It provides us with information in all branches of knowledge. It has a good effect on us. It helps us to be good citizens. Reading helps us to develop our characters. It helps us to understand the world we live in. Reading creates generations of thinkers ,writers and scientists.

7. Write an introductory paragraph of not less than SIX (6) lines on this topic:

**There are four reasons why encouraging local industry is important**

First of all, we should be proud of our country and its local products. Our local products are usually cheaper than the imported. Buying our local products creates job chance for our youth and brings hard currency to import our needs. Our products have the Egyptian taste which cope with our nature and way of living. Buying our local products increases our national income and makes our economy strong.

8. Write a developing paragraph of SIX (6) lines on the this topic: ( **Friendship** )

True friendship is the most important thing among people. Friendships teach us to be loyal and faithful to each other. Friendships make people stronger. We learn good lessons from our friends. A real friend always sticks with me to help me achieving my goals. Friends offer advice and guidance that helps me avoid danger and conflict. A loyal friend is the best thing you could ask for in life. So, true friendship is the most beautiful thing in our life.

9. Write a developing paragraph of SIX (6) lines on the this topic:

**(The importance of The River Nile )**

The River Nile is a source of life to Egypt. It is a chief source of wealth, welfare and prosperity to Egypt. We enjoy drinking its fresh pure water. We irrigate our lands from it. Vast areas of land are reclaimed with the help of the Nile. Egypt is the gift of the Nile. We should not throw waste into our dear Nile. We should keep it clean and pure. Without the Nile, Egypt would be a desert land. The Nile is the lifeblood of Egypt. Without the Nile, life would be impossible in Egypt.

10. Write a concluding paragraph of SIX lines for the following:

**( Shopping online, its advantages and disadvantages )**

Finally, I want to speak about disadvantages of shopping online. You can order what you need easily but the order may be late. Some goods needs much time and may delay to be delivered. Goods may be not the same as it on the advertise. It can be risky because of credit card fraud. Sometimes the companies send wrong products. Also, older people and people who don't have experience using a computer might find it difficult.
