Egypt has lots of sunshine, so using more solar panels (4)..... money and helps the planet. Other energy types, like oil and gas, can harm the Earth. We should save energy.

4- Read the text and answer the questions:

I read a story yesterday. A proud, beautiful rose lived in a dry desert, next to a rough cactus. The rose had soft red petals that sparkled in the sunlight and gave off a sweet, lovely smell. The cactus was covered in long, sharp thorns and didn't have any flowers or bright colors. The rose often made fun of the cactus for his unpleasant look. On hot summer, the rose began to dry up as there was no water. She saw a small bird fly down and gently peck at the cactus. The bird drank some water from inside the cactus. The cactus kindly shared his water with the rose. From that day on, she never judged anyone by how they looked again.

A. Choose the correct answer from a, b, c, or d :

1. The cactus hasthorns.
a. sharp b. soft c. tiny d. small
