## Writing

An email to a friend giving news:-

Dear أحمد الشريف,

How are you? Guess what! I'm at a desert camp! I've been here since Friday. It's very good. I've made new friends. I've learned how to depend on myself. I've learned how to cook.

Tomorrow we're going to have a barbecue. That's all for now. How has your holiday been so far? Write back and let me know.

Take Care

أحمد الشريف
