III- Writing

Outline

Introduction:

Have you ever thought about saving energy? It's very important to save energy. It's useful to reduce using energy to save the environment and to save money.

Body

Paragraph 1: why renewable energy is a necessity.

- reducing pollution
- reducing global warming
- keeping animal habitat

Paragraph 2: the advantages of using renewable energy

- less cost/saving money
- reducing bills
- saving oil
- oil will last longer

Conclusion:

Finally, I think saving energy is a necessity. If we don't reduce our energy consumption, we will end up with many problems.

Topic

Have you ever thought about saving energy? It's very important to save energy. It's useful to reduce using energy to save the environment and to save money.

It's important to save energy to save the environment. Also, it helps reduce pollution. In addition, it reduces global warming. Moreover, it keeps the animal habitat safe.

المناهج الكويتية
almanahj.com/kw

Saving energy is important. It has less cost. It saves our money. It reduces electricity bills. It saves oil. It ensures oil will last longer.

Finally, I think saving energy is a necessity. If we don't reduce our energy consumption, we will end up with many problems.
