- Your needs
- Beliefs and knowledge

1 **Write a paragraph about the following. What can help you prepare for a career as a nurse?** Workbook p.58

The following prompts can help:

- qualifications
- skills
- tasks
- challenges

Each person has a dream job and my dream job is to become a nurse. A nurse is a person who provides treatment to people suffering from diseases.

In addition to a university degree in nursing, a nurse should have all the essential skills to take care of his patients. The important role of nurses appears during pandemics. They don't leave their work for fear of infection.

When I become a nurse, I will be patient and kind and I will help sick poor people.

2 **Write about a personal experience in which you have made an important decision that changed your life.** Workbook p.8

- Name the experience.
- Describe important things that happened before the experience.
- Describe the main part of the experience.
- End with final feelings or something you learned.

2 **Write about a personal experience in which you failed but then you could achieve your target.** Student's book p.24

Include the following:

- Name the problem
- Getting help from others if any
- Steps you followed to help you
- Advice to people of your own age

One of the bad moments in my life was a day in the tenth grade when I had a math test. I didn't study well for the exam, so I failed.

I told my father that I was sorry for what happened. He was of great help and advised me not to let that depress me. I started to study hard and pay attention to what my teachers said. Consequently, I passed my exams with high grades and I was very happy.

Since then, I have been advising my friends to benefit from my experience.

✿ Write about someone who has influenced you to be the best version. Activity Book p.14

اكتب عن شخص أثر فيك لتكون أفضل نسخة عنه.

✿ Write about your role model in life. اكتب عن قدوتك في الحياة

3

The following questions may help you.

1. Who has been an influential person in your life?
2. What do you admire the most about this person?
3. What specific things have you learned from this person?
4. Which of his traits (e.g., special talents, skills, way of treating others) do you hope to have yourself one day?
5. How has your life changed since meeting your role model?

My role model in life is my father. He is a man of great personality. He finds pleasure in helping other people and he is my strong support in my life. He always gives the family love and positive energy.

My father does his best to educate and support us with the best living standard. He has taught me how to be confident and how to overcome any difficulties. Because of his instructions and guidance, I live a happy and satisfactory life. (82 words)

✿ Write a composition in which you give some pieces of advice for people who are going to start a new job.

4

اكتب موضوعاً تقدم فيها بعض النصائح للأشخاص الذين سيبدأون عملاً جديداً.

Your composition should include:

Workbook p.35

- Rules to start a job
- Relationship with workmates
- How to improve one's skills

If you are going to start a new job, here are some tips to remember. First, you should listen and learn from colleagues. You can ask them questions if you aren't sure about something and offer to help them if you can see something that needs doing.

Second, you have to work hard. People dislike those who make up excuses for not doing something and expect workmates to do it for them. In the end, you will be successful if you get on well with your colleagues.

✿ Write an article to your school magazine about students' rights and duties at school.

اكتب مقالاً في مجلة مدرستك حول حقوق وواجبات الطلاب في المدرسة.

Use the answers of these questions to help you.

Student's Book p.64

5

1. What are the duties of students?
2. What are the rights of students?
3. Why is it important for students to know their rights and duties?
4. How can students be aware of their duties?
5. Who is responsible for assuring students' rights?

Students at school have important duties and rights that support a respectful learning environment. Their duties include attending classes regularly, respecting teachers and following all school rules.

At the same time, students have the right to learn in a safe atmosphere, to receive fair treatment and to express their ideas politely. Understanding these rights and duties is essential because it encourages responsibility and cooperation.

Students can become aware of their duties by reading school guidelines and listening to teachers. The school administration and teachers are responsible for ensuring students' rights. (90 words)

● Write an article about a person's rights and duties in society

Student's book p.58

اكتب مقالاً عن حقوق الإنسان وواجباته في المجتمع

● Write a composition about "The importance of law in people's lives".

Workbook 73

اكتب موضوعاً عن "أهمية القانون في حياة الناس".

The following prompts may help you:

6

- Why is it important?
- How should parents encourage their children to obey laws?
- What should schools do to empower the sense of dedication to law?
- What should be done to those who do not obey law?

● Write an article about what it takes to be a good citizen in your community. Your article should include rights and duties of a citizen in your community.

Student's Book p.96

اكتب مقالاً حول ما يلزم لتكون مواطناً صالحاً في مجتمعك. يجب أن تتضمن مقالتك حقوق وواجبات المواطن في مجتمعك.

Laws are rules that protect and organize our society. We should all work together to maintain law and be good citizens in our community. Parents should explain to their children that laws are important for keeping people safe and happy. Also, schools should encourage students to value and apply the law in their daily lives. Furthermore, people who break the law must be punished.

A good citizen is born with rights and duties. He has the right to be treated well and have equal opportunities. On the other hand, a person has to obey the law and respect the rights of others. (102 words)

● Write a paragraph about environmental health.

Student's Book p.73

اكتب موضوعاً عن الصحة البيئية.

7

The following prompts can help:

- setting laws to limit pollution.
- awareness and health education.
- laws prohibiting smoking in public areas.
- uncontaminated water, air, soil and food.

Environmental health is one of the most important issues nowadays. To live a healthy life, we need a clean environment. Firstly, we should set laws to limit pollution which threatens our lives on the Earth. Secondly, smoking should be banned in public places and smokers should be fined to stop environmental damage.

In addition, we have to educate people on the importance of preserving our natural resources. Finally, we have to take care of the elements that affect our health such as clean water, productive soil and healthy food.

(89 words)

● Write a paragraph about the effects of food on our brains and bodies.

Workbook p.64

اكتب فقرة عن تأثيرات الطعام على أدمغتنا وأجسادنا.

8

The following questions may help you:

1. Do the quality and quantity of food we eat affect our health?
2. Mention some foods which are healthy and other foods which are unhealthy.
3. How does the type of food you eat change your life?

Food has many effects on our brains and bodies. It influences our physical health, our thinking and even our mood.

If you want to eat the food you enjoy and still have a healthy diet, you should eat high quality food. Healthy food contains lots of vitamins and minerals which nourish the body, especially the brain.

In addition, you should lessen sugary and fatty food. You should eat only the amount of food that your body needs. Finally, it is no secret that when we eat healthy food, we feel healthy.

اكتب وصفاً لمشروع هندسي حديث

- | | |
|---------------------------------|--------------------------------|
| • name the project | • advantages and disadvantages |
| • place and time of performance | • opinion |

Engineering plays a vital role in the development of our modern world. Engineers work hard to create new ideas and improve the quality of life. Their work helps develop technology and solve many problems.

One clear example is the Euphrates Dam in Ar-Raqqah city. It is one of the biggest engineering projects in Syria. The Dam was built to generate electricity and to irrigate lands on both sides of the river. In fact, we need engineers because they turn ideas into real projects and make our planet a better place to live. (92 words)

✿ Many people visit your country, but they don't know a lot about it. Write an article to help them be culturally aware of your country. Workbook 81

يزور الكثير من الناس بلدك ، لكنهم لا يعرفون الكثير عنها. اكتب مقالاً لمساعدتهم على أن يكونوا على دراية ثقافية ببلدك.

The following prompts may help you:

- The most common form of greeting
- Common gestures that visitors are not used to
- Common eating customs
- Common misconceptions visitors have about your country

Thousands of people come to Syria every year to enjoy its nature and see its great historical places. When you visit Syria, you must be aware of its traditions. Firstly, when you greet someone, you shake the right hand and say "Alsalamu Aleikum". Secondly, if you are invited to lunch or dinner you have to arrive on time. You shouldn't leave some food in your dish. An important point you should know is that women in Syria have the same rights as men and not as other people believe. (89 words)

✿ "The Internet could be a very positive step towards education, organisation and participation in a meaningful society." Write a paragraph about using the internet in learning.

"يمكن أن يكون الإنترنت خطوة إيجابية للغاية نحو التعليم والتنظيم والمشاركة في مجتمع هادف." اكتب فقرة عن استخدام الإنترنت في التعلم.

The following prompts may help you:

Student's Book 123

- Engaging in email / video chat with students from other countries.
- Using storytelling media to create and publish stories
- Posting on your Facebook page some discussion questions about your study

✿ Write a paragraph about the arguments for or against e-learning at school. Make sure you give your opinion. Workbook Book 97

اكتب فقرة حول الحجج المؤيدة أو المعارضة للتعلم الإلكتروني في المدرسة. تأكد من إبداء رأيك.

Today people are using the Internet in all aspects of life. It has become a major tool for e-learning. E-learning is highly interactive and increases self-responsibility among students. It enables students to study on their own. It can connect students to their teachers by video-chatting or by emails, so the learning time is reduced.

On the other hand, e-learning sometimes causes health problems such as poor vision and straining problems. In my opinion, e-learning is easy and cost-effective but we have to use it in the right way. (88 words)

14

✿ Write a composition about the healthcare in Syria nowadays

Student's book p.36

اكتب موضوعاً عن الرعاية الصحية في سوريا في الوقت الحاضر

Syria has witnessed a great improvement in healthcare recently. Health indicators have shown huge developments over the past three decades.

The government has built a lot of hospitals to provide healthcare to all people for free. The ministry of health in Syria is responsible for healthcare which covers a person's health needs throughout his life, such as prevention and treatment.

Finally, because of the increasing interest in healthcare system, the number of private hospitals and doctors has increased and the number of deaths has decreased. (85 words)

✱ Write an essay about the women's role in the Syrian society.

Workbook p.67

اكتب مقالاً عن دور المرأة في المجتمع السوري.

The following prompts may help you:

- family - achievements and contributions - female figures from the Syrian society

In the past 50 years, Syria has witnessed a great increase in women's participation in all fields of work. They are teachers, doctors, engineers, and politicians.

Besides their important role as mothers, taking care of their families and raising their children, they have managed to succeed in building society. They work in hospitals, schools, factories and help in all aspects of life.

One example of successful Syrian women is Mrs. Hind Kabawat, the Minister of Social Affairs and Labour in the Syrian Government. She is known for conflict resolution and women's empowerment. (92 words)

✱ Your friend is going to travel to China and wondering if there is anything that he ought to be particularly aware of. He would be most grateful if you could give him some advice. Student's Book 106

سيسافر صديقك إلى الصين ويتساءل عما إذا كان هناك أي شيء يجب أن يكون على علم به بشكل خاص. سيكون في غاية الامتنان لو أعطيت له بعض النصائح.

Dear friend,

I received your e-mail and it is my pleasure to answer your questions about Chinese customs. First of all, it is important to learn Mandarin which is the official language of China. Secondly, it is okay to take some gifts with you but don't take clocks and handkerchiefs because they are associated with death and funerals. When somebody invites you to dinner it is a good idea to make slurping sounds and noise while eating. You should also make sure to leave a little food behind. (85 words)

17

✱ Many people look for medical advice on the Internet before they visit their doctor. Do you think this is a good idea? Why? Why not? Student's Book p.80

يبحث العديد من الأشخاص عن المشورة الطبية على الإنترنت قبل زيارة الطبيب. هل تعتقد بأن هذه فكرة رائعة؟ لماذا؟ لماذا لا؟

Most people, nowadays, look for medical advice on the Internet before they visit their doctor.

Surfing the Net for medical advice is sometimes useful. A patient can take an idea about his medical problem and can treat himself if he has a minor disease. However, some information on the Internet isn't reliable and not accurate. If a patient takes the wrong medicine, he will get dangerous results.

In my opinion, patients shouldn't depend on online sources because this might have negative impacts on their health. (85 words)

18

✱ A patient has a medical problem and asking for help. Imagine you are a doctor, then write a reply with two or three pieces of good advice. Student's Book p.80

يعاني أحد المرضى من مشكلة طبية ويطلب المساعدة. تخيل أنك طبيب، ثم اكتب ردًا بالثنتين أو ثلاث من النصائح الجيدة.

You have told me that you have a headache and asked for some pieces of advice. First of all, headaches are a common condition and you do not need to worry about.

Here are some tips to get rid of your headache. **First**, drink water: drinking water has been shown to reduce headache symptoms. **Second**, take some magnesium: it has also been proved to be a safe remedy for headaches. **Third**, get enough sleep: sleep deprivation can cause headaches for most people. **Finally**, you can use a cold compress to soothe pain. - "Beauty is in the eye of the beholder." الجمال هو في عين الناظر إليه.

Workbook 99

Write a paragraph using the following prompts:

- the beauty of music / art / nature / etc. in different cultures

The phrase "beauty is in the eye of beholder" means that people can have different opinions on what is beautiful. Basically the most important thing a person can see is nature, which he can see every day and find beauty in it. Some people find beauty in flowers but other people don't. Music is a kind of art which can transform the emotions of people. However, when I see a piece of art that I find beautiful, others may see it as an ugly thing. Really beauty lies in the eye of the beholder. (92 words)
