A selfie is a self-portrait photograph, typically taken with a digital camera or a smart phone, **which** may be held in the hand or supported by a selfie stick.

When Marat Dupri bought his camera, he decided he would shoot nice landscape pictures. Feeling it might not have been the most original idea ever, he started to spice things up by climbing up higher and higher structures, using no safety equipment at all. Marat Dupri earned name " The sky walker"; and quickly, dozens of people followed his footsteps, trying to get the most incredible views.

Then most people began to take dangerous selfies while travelling. They began scaling skyscrapers, cliffs and bridges to capture a photo to remember. Almost everyone has taken out their smart phones to snap a photo of themselves. But many studies showed that when taken in dangerous circumstances, selfies can cause death.

A poor family was living happily until the son felt severely ill. It was clear from the medical analysis and laboratory tests that he had got a tumour in his head.

" Your son's condition is critical. He needs a miracle to survive", the doctor said. After she had heard the doctor's words, the little daughter rushed to the nearest pharmacy with the only pound she had in her money box. " Give me a miracle, please," she said putting the pound on the table. The pharmacist was busy talking to his brother. After a while he replied, "who told you I sell miracles?" She looked helplessly watching in despair. Suddenly the pharmacist's brother kneeled asking her, "tell me, sweetie, why do you need a miracle?" Without thinking " I don't know, the doctor said that my brother needs a miracle for an operation not to die.
