B- Read the following text then do the tasks below:**(50 marks)**

Mariam was a teacher who wanted to motivate her students and make them do their best in the exam. So, she told them that she would give a gift, which was a new pair of shoes, to the one whose marks would be excellent. Children rejoiced over this challenge and they all started writing diligently. After collecting the papers, the teacher was surprised to find that everyone had a full mark.

The teacher thanked everyone for their effort but she was confused about who would deserve the award as everyone had got the full mark. The students' opinion was that each of them would write his/her name on a folded paper and put it in a box which the teacher would pick one. The teacher picked a paper in front of all students and read the child's name (Nada). Nada came forward where the shoes were, thanked everyone for the gift. Her parents couldn't afford to buy her new shoes because of their extreme poverty. The teacher returned home and told her husband what had happened. The teacher's husband was surprised. Suggested topic**"Advice to a friend"**

Doing well at school is everyone's dream. Unfortunately, my friend isn't having good results at his school. First, he should organize his time efficiently and do sports every day. Also, he should wake up early to refresh his mind. Having healthy meals can also help him focus on his lessons. Finally, I think that he should study for seven hours a day.
