Sometimes they find old tombs that have preserved (3)..... inside them. Experts always try to (4)..... the damaged parts of these places to keep them safe. We should be proud of our heritage.

4. Read the text and answer the questions: (7 M)

Far away in the south of Egypt, near the border, lies a wonderful ancient place. This monument was built for the god of wisdom many years ago. Over the years, different rulers added new designs to its walls, showing how much, they respected Egyptian culture. When the High Dam was built, the water level went up and **threatened** to destroy the building. However, Egyptian experts have worked very hard to move the huge stones to a higher, safe area. Today, this peaceful place stands proudly, and visitors love to see its amazing carvings in the quiet desert.

A) Choose the correct answer from a, b, c or d.

1. The general idea of the text is about
a) the High Dam b) travelling c) farming d) ancient monument
2. The word "threatened" in the text means
a) protected b) painted c) discovered d) put in danger

Listening Material:

Last week, our class went on a trip to Tuna el-Gebel. We met a very clever archaeologist there. He showed us the underground chambers where they found mummies of ancient animals and birds. It was amazing to see how the ancient Egyptians preserved them. We also looked at the beautiful carvings on the walls of the tombs. The tour guide explained that these discoveries help us learn about our grand history.
