5 Read the following passage, then answer the questions :

In many schools, the timetable is one of the most important tools for managing the day. It tells students which subjects they have, when lessons begin, and what materials they should bring. Each morning, teachers review the timetable with their classes to make sure everyone is prepared.

When changes happen—such as competitions, or special celebrations—students must adjust quickly. This helps them develop responsibility and problem-solving skills. The timetable also includes short breaks between lessons. These pauses allow students to rest, organize their notebooks, and mentally prepare for the next subject. Without these breaks, the school day would feel longer and more stressful. For many students, the timetable acts like a compass, guiding them through the day and helping them stay on track. It not only keeps the school running smoothly but also teaches students how to manage time effectively.

a. Answer the following questions :

Al-Azhar Sample Test 1

Choosing the right career is one of the most important decisions in life. Jobs greatly affect people's happiness and relationships. A good career can give you motivation. When thinking about a career, you should always begin with your interests. Choosing the wrong job can cause stress, and disappointment.

Al-Azhar Sample Test 2

The Bedouin people live in the desert. They have a nomadic lifestyle, which means they move from place to place. They travel across sand dunes with their camels to find water. They live in tents that can protect them from the sun and sandstorms.

Al-Azhar Sample Test 3

Smart learning uses modern technology to help students study in faster and easier ways. Instead of only using books, learners can watch videos, join online classes, and use educational apps. This makes learning more interesting and personal. Students can study at their own pace and review lessons anytime. Smart learning also helps teachers track progress and give better feedback. It prepares students for a world where technology is part of everyday life.

Al-Azhar Sample Test 4

Our planet is very important, and we all have to take care of it. Pollution, deforestation, and climate change are harming the environment. We can help by recycling, saving energy, and planting trees. Using less plastic and walking or recycling instead of driving can also make a difference. Everyone can do small things to protect the Earth. If we all work together, we can make the planet cleaner and healthier for future generations.

Al-Azhar Sample Test 5

The timetable at our school is very important. It keeps students organized and helps them manage their time wisely. We have eight periods every day. On Sunday morning, our class teacher

reviews the timetable with us so we can prepare for the week. Sometimes, we change it for special events like Sports Day, but most days we follow it carefully.

Al-Azhar Sample Test 6

A job profile helps people understand what a job is about. It lists the responsibilities and skills needed. For example, a nurse needs to care for patients and support doctors. This job requires communication and teamwork skills. Understanding job profiles helps young people plan their future careers effectively.

Al-Azhar Sample Test 7

Salma found an old wooden box. Inside the box, there was a yellow letter from her grandfather. The ink had faded, but she could still read the words. The letter wished her mother a life full of courage and kindness. Salma felt that this letter was a precious treasure for her family.

Al-Azhar Sample Test 8

Sarah went hiking in the Sahara Desert and got lost for five days. She used her jacket to make a shelter under a rock to stay cool during the day. She built a small fire at night to keep warm. She conserved her water by taking tiny sips every hour. Finally, she was rescued.

Al-Azhar Sample Test 9

To save the Earth, we need to take action. Simple things can help. Turn off the lights when you leave a room. Use less water when you brush your teeth. Walk or ride a bike instead of using a car. Planting trees is very important because trees clean the air. We also should try to reduce pollution and wastes because they are harming animals and people.

Al-Azhar Sample Test 10

Cinderella is a wonderful fairy tale. At the party, the prince admires Cinderella's beauty and kindness. But at midnight, the magic fades, and she runs away, leaving behind one slipper. The prince searches for her until he finds her, the only one whose foot fits the shoe. In the end, they marry and live happily.
