## Influential Person (WB/2)

Last year, I had an important experience related to studying English alone. At first, I failed which made me feel stressed and affected my life in a negative way. I did not know what to do at that time, and I felt worried about the future. I told my teacher who helped me a lot. After that, I decided to work hard and change my way of thinking. With my teacher's advice, I was able to succeed and English became easy. I feel thankful to my teacher who influenced me a lot and taught me that hard work is the key to success.

## Helping brother with resume

(WB/6)

My elder brother asked me to help him write his resume. He wants to find a part-time job in a retail company. I told him that a good resume should include personal information, a short summary, and work experience. It is also important to add skills, languages, and hobbies clearly. Many people succeed when they prepare their resume carefully. In my opinion, a good resume is very useful because it helps get interviews and shows abilities. Writing an organized resume is the first step to success.

25

## Starting a new job

(WB/4)

Starting a new job is an important step in life. Many people feel nervous at the beginning. New workers should be on time and respect workplace rules. They should listen carefully and learn from others. This helps them improve their work. It is also important to manage time well and finish tasks on time. In my opinion, being polite and positive helps people succeed. If workers cooperate with colleagues, they can feel comfortable and successful in their job.

26

## Effects of food on our brains and bodies

(SB/8)

Food has a strong effect on our bodies and brains. Eating healthy food gives energy and helps people work and study better. On the other hand, unhealthy food can cause problems and make people feel tired. Healthy eating is important because it improves mood and supports health. Many people try to choose good food every day. In my opinion, caring about healthy food is very useful because it improves life and keeps people active. Everyone should think carefully about what they eat.

27

## Job after graduation

(SB/1)

After graduation, I want to work as a teacher. This job is important to me because it suits my interests and skills. I expect some challenges, such as managing students and learning new skills, but I am ready to face them. To succeed, I need hard work and continuous learning. Many people achieve success when they prepare well for their future careers. In my opinion, dedication is very important because it helps achieve goals and improve abilities. Planning well leads to a better future.
