Formal Letter

(SB/10)

Dear Melton,
I hope you are well. I would like to give you some advice about Chinese customs if you plan to visit China. First, greet people politely. A handshake is common, and a slight bow shows respect. When giving gifts, choose simple items and avoid expensive ones. Use both hands to give or receive a gift. Learning a few Chinese words can help. Be patient and friendly to build good relationships.
Best regards,
Rami

Job after graduation

(SB/1)

After graduation, I want to work as a teacher. This job is important to me because it suits my interests and skills. I expect some challenges, such as managing students and learning new skills, but I am ready to face them. To succeed, I need hard work and continuous learning. Many people achieve success when they prepare well for their future careers. In my opinion, dedication is very important because it helps achieve goals and improve abilities. Planning well leads to a better future.

Helping brother with resume

(WB/6)

My elder brother asked me to help him write his resume. He wants to find a part-time job in a retail company. I told him that a good resume should include personal information, a short summary, and work experience. It is also important to add skills, languages, and hobbies clearly. Many people succeed when they prepare their resume carefully. In my opinion, a good resume is very useful because it helps get interviews and shows abilities. Writing an organized resume is the first step to success.

Starting a new job

(WB/4)

Starting a new job is an important step in life. Many people feel nervous at the beginning. New workers should be on time and respect workplace rules. They should listen carefully and learn from others. This helps them improve their work. It is also important to manage time well and finish tasks on time. In my opinion, being polite and positive helps people succeed. If workers cooperate with colleagues, they can feel comfortable and successful in their job.
