Test (1) Listening Material:

Ahmed is a successful learner. He usually organizes his notes in folders to avoid distractions. At the moment, he is practicing his English pronunciation by recording his voice. Ahmed believes that taking short breaks is very helpful when studying is difficult. He uses different techniques to improve his skills every day. He can understand better when he has a clear goal.

Test (2) Listening Material:

Maria is a visual learner. She loves using neat notes and colorful pens to remember things. Right now, she is drawing a mind map to organize her ideas for a science project. Maria believes that seeing information helps her focus. She can't study well in a noisy place, so she always looks for a peaceful environment. She is making great progress this month
