.....

.....

.....

.....

.....

Test (1) Listening Material:

A vet is a very special doctor. Vets help sick and weak animals stay safe. They work in a clinic or visit animals in the forest. When a bear or a monkey has a problem, the vet helps them. Caring for wild animals is a big challenge, but it is important.

Test (2) Listening Material:

The Arabian Leopard is a beautiful wild animal. It lives in high mountains and caves. Today, these leopards are endangered because they are very rare. We must protect them so they do not disappear. Helping endangered animals is a great challenge for everyone.
