My Amazing Picture Blog

ABOUT ME

Hi, I'm Hassan Khan! First of all, let me say a few things about myself. I'm a 15-year-old student and I'm really into sports and photography.

Hi everyone,

I enjoy taking photos of people in action, so last Saturday I went to a cultural festival with my cousin. It's the biggest outdoor art and craft festival in our city and it attracts thousands of people, both tourists and locals. So, I was sure I could take lots of fantastic pictures of people in action.

I took a lot of pictures of people who were selling, buying or just looking at the crafts. Of course, I also took amazing photos of children doing other activities, like flying kites and playing games.

The only problem I had was that the festival was too crowded, and people often got in the way while I was trying to take a picture.

On the whole, the experience was very exciting! I've uploaded the photos and they are great!

You can see them [here](#). Please feel free to say what you think of my work.

I have always admired my football coach. I was seven years old when I **joined** our local children's team. Mr Gladstone was our coach and my best friend's father. The person I admire most is my grandfather. He was one of the few pearl divers in our small village, just like his father and his grandfather before him. He learnt all about pearl diving from his grandfather.

My grandfather was kind of quiet, but he was pretty cheerful. He liked telling stories about pearl diving. He told the stories in a humorous way, which made us laugh. My grandfather was also a very brave man. Pearl diving was extremely dangerous at that time, as divers did not have the modern equipment that they have today.

I learnt a lot about pearl diving from my grandfather, and he taught me to respect the sea. Today, I am considered one of the best pearl divers, thanks to my grandfather.

I will always admire my grandfather. I hope to teach my children and their children everything I learnt from him.

Hi Salem,

It was nice to hear from you. What a surprise to learn that you've taken up karate as a hobby. Good for you, mate! Anyway, I've got some good news to tell you too!

Do you remember that I had told you I wanted to join the poetry reading group in my area?

Well, everyone who wants to join has to write a poem and read it to the group. The group then decides if the person can become a member. So, yesterday I presented my poem. I was very nervous as I was reading it and I thought my poem was kind of boring. However, when I finished reading it, everyone stood up and clapped. I still can't believe it! I am now a member of the poetry group and I'm so excited!

So, have you decided where you want to go on holiday? Write back and tell me all about your plans.

Bye for now,
Hassan
