14

3- Read the comprehension then answer:

Egypt is a land of ancient civilizations and great heritage. The monuments such as the Great Pyramid and many temples are symbols of our national identity and pride. For thousands of years, our ancestors created wonderful art, wrote on papyrus, and developed sciences like mathematics and medicine.

Today, the Grand Egyptian Museum preserves these treasures. Many archaeologists and historians work hard to restore and protect them. Their determination and sacrifices are a source of inspiration for all generations.

Tourism is very significant for Egypt. Millions of visitors come every year to learn about our culture, enjoy the beauty of the Nile, and explore historical sites. It is our duty to preserve this rich history and pass it to the future. In this way, Egypt will always **rise** as a symbol of progress, courage, and harmony.
